

# People Who Help us - Knowledge Organiser

Our next topic is 'People Who Help Us'.

We will be learning...

- To identify people within their community who help them and others.
- Understand different roles and responsibilities.
- To ask questions about things they would like to find out.
- Identify non-fiction books and how they are different from story time books.

How you can help your child at home...

- Encourage them to think about who helps them at home.
- Identifying roles within the emergency services.
- Discussing who helps them when they are at school.
- Send and post a letter to a family member and think about who helps to get the letter to where it needed to go.
- Identify any friends or family members who have a key worker – Talk to them about their job and make a poster showing what they do.
