

People Who Help Us Summer activities for children moving into Reception

After the summer break we will be learning all about 'People Who Help Us'. Overleaf is our 'People Who Help Us' knowledge organiser (KO) – this has the key facts that we will be developing further in half term one. Please help your child by discussing and learning some facts from the KO.

We would also like your child to complete a number of the suggested activities below or perhaps you can think of your own project ideas too. We look forward to seeing children back in school in September with all their holiday learning.

Here are some links to some books linked to our 'People Who Help Us' topic.

Which was your favourite book? Can you tell your adult what you liked about it?

Draw a picture of your favourite key worker person.

Can you draw some of the things that they use or need in their job?

Can you label your picture by copying words written by your grown up or tracing over the top of their word.

Draw pictures of things you do to help others. Maybe you could add some labels

The 'People Who Help Us' Song, to the tune of 'The Wheels on the Bus' <https://www.youtube.com/watch?v=M8Psza6N2Os>

Go for a walk in your local area.

Look at the different buildings.

Think about the people who work in there and the job that they do.

Can you find a post office, a school, a food shop?

Draw a simple map which shows some of the buildings and the people who work their.

Traffic Light Biscuits

'People Who Help Us' Dances

Choose someone in your house to be your partner for these dances. You will need to listen carefully to the instructions.
