

Farm Animals Knowledge Organiser

This half term we will be looking at farm animals, during this topic we will be looking at;

- How we care for different animals.
- The life cycle of animals including chickens.
- Information books about animals on the farm
- Different things that happen on the farms, for example where does milk come from?
- What does a farmer do and what questions can we ask the farmer?
- Farming in other countries.

How can you support our learning;

- Read stories and information books about farm animals and the different types of animals.
- Talk about the life cycle animals go through for example from egg to hen.
- Discuss the different farm animals and what you know about these animals.
- Compare our pets or family and friends pets with farm animals

We will be using the book Farmer Duck to support our learning.

Other information book and story book suggestions: Little Red Hen, The Pig in the Pond, Usborne Farmyard Tales
