Dear Parents/Carers,

Y1/2 Healthy Food activities

This half term our topic is Africa. As part of this we are going to be looking at healthy food and making some of our own. This will help teach children about how we can make healthy food and teach them skills such as chopping and weighing.

To help with this we ask for a 50p voluntary donation to allow the teachers to buy the ingredients. Please could you let us know, using the slip below, if your child has any food allergies for us to consider.

Thank you for your continued support.
